

OLUSEYI MAYOTOMIWA

Frontend Engineer

+234 9022195613 oluseyimayotomiwa@gmail.com <https://oluseyimayotomiwa.netlify.app/> Lagos, Nigeria

SUMMARY

I am an experienced frontend engineer with a proven track record of delivering high-quality web and mobile applications for over 3 years. Proficient in utilizing frontend tools and frameworks to create user-friendly interfaces and scalable solutions. Skilled in leveraging good software architecture and virtual DOM for efficient rendering and optimal performance across various devices. Demonstrated the ability to integrate device features and third-party libraries to enhance application functionality. Possess strong knowledge of JavaScript, HTML, and CSS, along with a solid understanding of modern web and mobile development practices. I also remain committed to continuous learning and staying current with industry trends to deliver innovative solutions. I am a resourceful problem solver with a creative approach to web and mobile application development.
